An impressive package is this pristine two bedroom home which has been lovingly cared for, with a degree of comfort rarely found. Both bedrooms can accommodate a queen size bed and have full width built-in robes providing adequate storage for both clothes and linen. For summer cooling the split system air conditioner combines with ceiling fans in both bedrooms. With both gas and electricity you will have options in the cooking department. The centrally located lounge area is a welcoming retreat with a cosy atmosphere enhanced by the lush carpet. We have a combination laundry and shower area with separate toilet/bide that leads outside to a grassed area and then to the rear yard. A cosy front veranda collects the warm afternoon sunshine ideal for a late afternoon cuppa. Other features include; established gardens and lawns, carport and garden shed.
