

\$265,000.00

They say a picture is worth a thousand words and words cannot describe this beautiful home. Located in a cul-de-sac, overlooking two dams teeming with bird life, the position alone cannot be equalled. What do you get for your hard earned money apart from the location? Three bedrooms, solar panels, an enormous rear verandah, split system A/C just to name a few of the special features. The clincher though is the tastefully remodelled interior.
